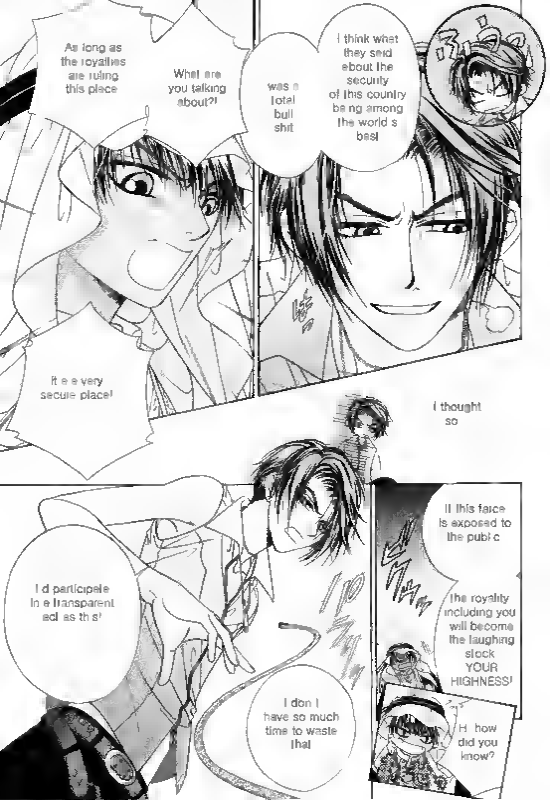
僕らの王国 ～プラトニック～ 【前編】

こうしま茶月

I went to America from Japan
Few weeks ago when I partied with Akira and others..
but to run away from those stalker-like younger sisters
I came to this luxurious resort in Middle East but
I belong to you?
Did you just say that

What are you after? Money?
Or d d I do someth ng to make you have a grudge against me?
You've got some nerve!
You sure have some audacity even though you're a beggar
Do I look like a thief who would be after monetary gains?
ああ
見えないね!!
No you sure don t



As long as the royalties are ruling this place
What are you talking about?!
I think what they said about the security of this country being among the world's best
was a total bull shit
It's a very secure place!
I thought so
If this face is exposed to the public
The royality including you will become the laughing stock YOUR HIGHNESS!
H- how did you know?
I don't have so much time to waste that
I'd participate in a transparent act as this!

!
Pardon me
Wait!
Honoured Sir Raoul di Babiel Basil...
Grey eyes ?!
Please allow you presence
near my lord a bit longer!

This guy's a bad news...
Geez, honestly...
All right then...!
I have all the luck in the world
Go ahead and do whatever you went. why don't you?
It's southern lands!
It's Arab ♡

Well... I understand why he would want to (run away) but...
How mean, Onisama!
Leaving us and coming to a wonderful place like this all by himself!
What's worrying me is that the bodyguards have contacted me with the info that
they lost the sight of Raoul -sama
Mean -
Even if this is Asia, this place is safe so there's probably nothing wrong, but...
Ah Ladies if you run around like that !
AH !!

How dare you! What are you doing?!
Oh dear!
Wait
They're only children.
Little Ladies
هل انتم بخير
Are you all right?
يا فتيات؟

You sure do whatever you want do you not?
YOU are the one who said you ll treat me o hostage
as most hospitally as you can under the circumstances
I sure do!
Then shouldn I you also treat this body bearing these stuffy chains es n cely as you can?
W th such e delicate face you have some guts!
You're fascinating!
I m certa n you will please my older sister very much from now on too!

Hm...
Well, if I just think of this as a good way to take my... mind off of things...
this shouldn't be too bad...
What!
What are you doing?!
Right
I don't dislike your type of face, so.
!?

she must be some beauty right?
If she s your older sister then
Yeah
She's extremely beautiful!
♡

Raoul!
What the heck am I thinking?!
I can I answer your feelings.. Raoul...
Thinking of HIM
You've dropped this you know?
Miss
You've met my sister before!
Do you remember?
Darn it
It's because he's smiling so innocently like that..
You said that with your eyes shining
from a Western fairy tale!
just like a prince
Sey what?

Later she will marry the man chosen by the leader of our family
But my sister is the only female from the direct royal line to the throne
The women of our family are not allowed to marry foreigners!
So I just want my sister to have some pleasant dream before that
by giving you as her present!
♡
I wasn't sure what kind of man was the person she fell in love at first sight so
I was going to make you into a suitable man myself and then give you to her!
フッフッ♡
フッフッフッ
—so
You've kidnapped me for THAT ?

ヒキッ
Fucking stupid prince!!
I d'dn t tell you my name yet did I
Oh
Wait!
Didn t you just say something about direct line or whatever?
Ashif Bin Rashad Al Ganb
My name is
the two of us just falls in love like this? Then what are you go ng to do?
--what
il
– then I'll take the respon sibility
and kill you little bastard!

I'm the third son of the King Jelk Rashad.
Direct line of the Garib Royalty?!
Not only are they economically prosperous and have lots of money,
but they are also family powerful enough to make even the Basil family troubled, right?!
What's wrong?
I'm the third son of the deceased beautiful prince from some branch royalty but
I am a reason to make things complicated at this point.

Raoul-sama's little sisters ♡
Oh my!
Yes, he picked up my treasure for me before so
You know who our brother is?!
I heard his name, but he left right after that
Oh my!
Pardon me, Queen Noura, but
Raoul-sama is missing at the moment
I was thinking that I want to properly thank him this time ♡
KY

My family would be sure to help, also, if they hear that my beneficiary is in trouble
If I can be of any help please do not hesitate to ask!
Oh my, that's terrible!
he must still be in this country but
I didn't see his name on the deportee records so
Really? It is reassuring that we have the Garb family's help at our side ♡
Didn't you two listen at all when she was introducing herself to us before just now?
What's this Garb Family?
She is the proper Queen descended from the direct line of the King
Noura Bint Rashad Al Garb Her Majesty
Queen! She's a real deal!

PACKED with bodyguards of all shapes and sizes
Well just look at her surroundings
It'll be troublesome if you untie your rope again like before so I can't help it!
So you have a hobby of following a man to his bath and playing Peeping Tom too Your Highness?!
Who the hell would do something as unpleasant as running away stalk naked?!

You were from the Basil Millionaire family weren't you
Sakuru?
You're just like Sakuru!
Then you're a mix with a Frenchman as your father right?
Your mother is Ice Queen Sophia Basil who's in charge of one branch of Basil Millionaire family!
That murderous looking dude with the death glare?
Yes His mother's a French
I thought so
In this country rules are different from females
There's no problem in a man obtaining a foreigner as his wife
However, Sakuru considers his maternal bloodline as a shame

A person who can say clean things without hesitating

And does not know of dirty things

clear

un-shaking eyes

Though it's a sad thing to be ashamed of your mother who

gave birth to you and raised you

Made me jealous almost to the point of cruelty

A weakling like you won't be able to stand
Even one hit from Sakuru so
!?
Who scares the crap out of whom?!
Sakuru who scares the crap out of you won't be coming inside!
But don't worry!
What—!
Whether I'm a weakling or not
I'd really appreciate it if you'd take a good look and then tell me!
WHAT ARE YOU DOING?!

Mmkay?
Your Highness?

そんなに?!
Wow Westemers...
I guess you're not THAT weak
What are you looking at?!
I was just playing around teasing him!
Nothing. You need not come!
Your Highness! What's the problem?!
I was a bit over-board
Would you look at that
Sakuru'd really make a mincemeat out of you!
I'm totally wet!
If he discovers that you did this to me
Again

Innocent smile
You're not a person who can
No wonder that Sakuru of yours
Is so worried about you
But I know now
You lack caution too much Ashif
hurt other people for real!
You're not dangerous!

!!
Ah
You've judged me too highly
YOU'RE WRONG!
The reason why I'm obedient
is because I don't want to go up against the Ganb family standing behind you!
The truth is

I get jealous so easily
And I'm so greedy
Hi hey! Don't pull me like that!
I'll fall into the water
If you move any further than that
!?
Then
I'll take it all off for you
This completely innocent and prideful prince

Ashif
You can have anything you want, right ?
I want to make him cry terribly!
W, where are you touchi ng...?
Stop it!
!?
If you'd act any more rude...!
You're going to call Sakuru?
Unlike me...

Un
I won't let you!
!!

My tongue...!
!!
!!?
...why you...!

あ
—Ah

The one I was messing around with...
was one of THAT Ganb
ば。
I'll be killed
ははは。
I continue to be pathetic
And sad
Neither in the past... Nor now... Can I change myself...
—Yes
We'll cooperate with all we have...too...in the search
For Raoul Di Babiel Basil sama
—I made him hurt !!
What the HELL am I doing?

—If
you do anything that would trouble
the two of them even at least a little
感情をぶつけ合う二人にサクルの思惑は…!?
This Sakuru will drop you off to hell
in place of Asrael (Angel of Death) !

I hurt Ashif
who had trusted me...
Where is his highness Ashif?
Don t know

why don t you drape em around your precious little princeling, too?
He grew tired of making fun of me so
he left that s all
I was always like
If you re so worried,
instead of slinging these chains only on me,

had been allowed to even go near him
an impure being like you would not
If it hadn't been for His Highness Ashif's wish...
Aren't you the one to say impure !
When YOU are impure yourself huh?!
!!

!?
picking locks is one of my specialties. too, you know
Aside from escaping from bondages

What are you guys doing?!!

!
shi...!
っ!!
Shit!

Don't move!
You don t want your precious prince to get hurt,
then throw that gun into the bath tub right now!
ガシャン

Wow–
How pretty–
And your brother picked it up for me
Someone very precious gave this to me
You'll pay for this!
Don't think you'll get out of this country alive!!
meanies
Our brother can act civilly, too
I do not have sisters so
It is an honor for me to have cute children like you two as my guests

CUTE
but what the hell is going on?
Noura-sama is beautiful- And we're happy to be invited here--
Us too
~ Is that so?
I got it
What do they mean that Raoul sama that my underlings were searching so desperately
Is hanging out at Queen Noura's little brother Prince Ashif's place?

...But I'm the one who got you into this
so if you really get killed,
it'll be really bad!!
Yeah I'm mad!
Even though I did that kind of crap to him...?!
Aren't you angry with me...?!

I and any way

I don t

hate you, either!

This prince... exactly why is he...

shaking up my heart so much...

Why are you sitting at the back?!
I'm good at horse-riding.
You guide me, Ashif
Hey!
Well yeah there's a guy I know who can do everything and then some that's why!
No matter the situation you can do anything and everything perfectly huh!
?!!
That's a
great rival you have there huh?

If Asahi says so,
アサヒがそうなら
stringently enough I can accept everything naturally
yeah
!
before, other people trying to talk me into stuff only "Issei" me
An owl?! Not a hawk?!
A hawk won't be able to fly at night now, can it
If you put it that way
I guess that might be right
I'll get into trouble, too, but
As pathetic as this is... I guess I'll just have to leave Sakuru up to my older sister
that can't be helped

I guess it was impossible to try to
get my sister and Sakuru together by using Raoul as a bait huh
!?
Forget about the plan!
Plan?
Oh yeah
That crap about making me into a prince and giving me to his sister huh

No wonder he
hated me
Aa, that's right
Me?! You used me?!
A bait?!
They just didn't have a chance to get together
Sakuru and my sister like each other you know
If it's Sakuru's family, there should be no problems
But as I've mentioned before, Sakuru is ashamed of the foreign blood flowing through his veins
At this rate, my sister is really going to just get married to some other guy

You're nosing in where you're not wanted
That pisses me off
ムカ
ムカする
But both my sister and Sakuru are
very important to me!
Someone who tries to gain something without even trying
and someone who lets him have it so easily
I hate them both!
They always take away from me what I wanted
If he's not going to even try then it's all his fault
Just let him be

Are you for real?
What!!
YOU are the one who looks like he wants something the most
!!
What is it that you desire?
Is that really it?
What is it that you want the most right now?

——何を…一番
--What is it
望むの…か?
that I want, the most?
The absolute trust of my relatives?
A right of inheritance to the Basil family?
I have
an uncle who is the same age as I am
I want to be greater than him!
My mom compared me to him since we were little
But
always he'd be one step ahead of me walking ahead carelessly
I hated him so much
To the point that I wished he'd just disappear off the face of the Earth

I
But
What I wanted the most was
To be free from myself
開放されたかった…!!
Who was tied down with these kind of feelings

I wasn t wrong after all
Oh
You were trembling so I thought you might be cold
Wha, what?!
You don t turn your eyes from yourself
nor do you run from yourself that you hate but you are facing yourself directly
That s what I love about you
So don't worry!

You'll become stronger than now!
I guarantee it!!
I feel like I'm going to get sucked into
his tea-colored eyes
You asked
what I wanted right ?
might be able to change me
this stupid prince
Honestly
If you'd let me have
you, Ashif...
!!

He knows exactly where I d run away!
That s Sakuru for you!
Don t be amazed by that!
He found us!
Hey it s okay
I wonder about that?
As long as I m by your s de
Sakuru won t touch you

Like me from before
is capable of doing
You don t know what a really pissed off guy
Ridpull
Release His Highness Ishif right now!

I am here out of my own choice!
I'm not being forced against my will!
Calm down, Sakuru!
Then please come this way!
Do I look like the type of man who'd succumb to coercing?!
That thing behind you may be coercing you to say that
I cannot believe that, sir
Leave that thing!
I don't want to!
And come to my side by yourself

I
understand

what was all that mess about?
nods.
Our prince (Raoul-sama)
really go out of his way to cause trouble for me!!
Keith?!
ミルキィカカッ

Just what are you doing Sakuru?!
Please cease this immediately!
What is all this trouble about?!
Noura
Your Majesty! Why are you here?!
Older Sister

I heard from Mr Keith that Raoul-sama was at Ashif s cottage
so I came with him only half-believing him
On the way here I caught Ashif s owl so I knew something was really wrong but
Ashif
You re saying that this is all thanks to your childish plans is it not so Ashif ?!!
So why am I being yelled at too?
Yes.
I am extremely sorry, ma am

Queen Noura Your Majesty
Prince Ashif His Highness did nothing wrong
That is so
This is the problem between you and I Sakuru!
I, Sakuru, had been responsible of everything!
We have really troubled an outsider like you Raoul sama
I do not know how we can make up to making you go through this unpleasant experience
If there is anything we can do for you please do not hesitate to ask.
What do you want?

お前は今一番何を望んだ
What is it that you desire the most?
Then
Please let me have His Highness Ashif
!!

But I became sure that I could change myself in the short time that I was with him!
I know that
YOU BASTARD! Are you still playing around with our prince?!
If it was before
I felt as if I could like myself a little more
Ashif is not an object!
if I'm with Ashif though I have never been able to like myself before
I would not have been able to say this so honestly
Sakuru!
This pocket watch I have received from you in our childhood
I will give it back to you for now
you may borrow him all you want
—I understand It is his own will whether he would be yours or not but
Your Majesty Noura!!

Next time you shall give this to me as a proof of our marriage
Else I shan't accept it from you !
What?!
Let's go Raoul!
We're just in the way!
You make my sister any more ashamed than this and I shall not forgive you!!
Got that Sakuru!
What wha-t? Love Romance with the Queen?!
Ashif Your Highness!

Even when he was little his family had been totally against him
His mother left him and went back to her motherland France and married some other guy
In his heart he's a good guy
He became strong just to protect us!
You okay with that?
My sister went that far!
I know he did awful things to you but...
I'd lik... you to forgive him!
I'm sure he (Sakuru)
was able to change because he was with you two as well
Even that Sakuru will be determined now!

When we first met Ashi said this
That he would have me for his...
So
I shall give myself
!?
to you

In return
I shall have you as mine, Ashif!

but
Yeah I thought so
I totally lost you!
What pleasant-sounding words!
I'm happy!

The smile that Ashif directed towards me
From now on, I'll teach you
untangles my tied up feelings
Like this--
I
slowly.

Then I'll give myself to you!
Surely I
exactly how you'd teach me!
I will look forward to
can change
No
I WILL change!
変わってやるよ！
